DAILY STAFF MEETING

Monday, 17 September 1951

25X1	Colonel noted that DD/P planned to complete movement of personnel in the Administration Building this week.
25X1	Mr. Reber asked if NSC 68 now had the concurrence of the IAC and Colonel Hansen stated that it had. In this connection, Colonel noted that in matters concerning policy he had discussed with General Ackerman, of General Cabell's office, the fact that Air Force representatives who were sent to consider these matters did not, in the majority of instances, come prepared with instructions from A-2's "front office". General Ackerman agreed to look into this,
25X1	Mr. reported that he was to discuss with General Magruder CIA personnel requirements and planned to furnish him justifications in this regard. He noted that in view of our opera-
25X1	tion atit would now be necessary to increase our requirements.
25X1	Mr. briefly discussed the new procedure for staffing NSC papers, which has been approved by the D/DCI. In this connection it was agreed that it would not be necessary for an individual from OPC to attend each NSC Senior Staff Meeting, but rather Colonel
25X1	, upon reading briefs of NSC papers received, would recommend attendance of a representative from the operating offices as appropriate.
25X1	Mr. reported that he would act as CIA Liaison Officer
25X1	with PSB during the absence of Mr. on leave.
25X1	Mr. reported that he was to discuss security measures with Mr. Babbitt of the Federal Civil Defense Administration.
